

Childhaven Workplace Giving Toolkit

Resources We Can Offer:

- Want to share your passion about Childhaven at a staff meeting or a department event? A Childhaven staff member would be happy to **make a short presentation**.
- Need help spreading the word? We can supply you with **brochures and materials** to help explain our mission and the impact that gifts make to children in our community!
- **Come visit us for a tour**. Bring some of your colleagues along to see firsthand the impact your gifts can make.

FUN-raising Ideas for Your Campaign:

- **Start a "Jean Day" at the office**. Invite employees to dress down on a casual Friday (or any day!) and pay \$5 to do so. We have seen this as a fun, easy, and effective way to spread awareness and increase participation.
- **Host a BBQ or Pancake Breakfast**. Charge employees and friends for the ticket. Encourage leadership to serve food as a way to show their support for the campaign.
- **Host a 'Baby Shower'**. Consider hosting a donation drive to help Childhaven purchase new diapers and car seats for the infants at Childhaven!
- **Competition Between Companies**. Do you have a vendor or competitor that also donates? Consider holding a friendly competition. Most raised? Most participation?
- **Sponsor an Event**. Consider taking your partnership to the next level by becoming a large event sponsor. Find out about all the benefits at <http://childhaven.org/events/sponsorships/>
